

Amir Malek

Manager, Finance & Accounting Outsourcing

malek@bbcpa.com | 301.272.6039

Education and Licenses

Bachelor of Science in Economics,
Dickinson College

With over 20 years of business experience and over 15 years in the outsourcing practice, Amir focuses on providing an outsourcing solution and financial consulting services for a wide variety of companies and industries including not-for-profit, healthcare and education.

With specialization in the not-for-profit area, Amir has managed organizations with complex structures ranging from \$1 million to \$80 million. Additionally, he has extensive experience working on consulting projects to develop solutions and efficiencies to enable clients to focus on their core strategies, while reducing costs in the operations of the company.
