Certified Fraud Examiner

Since joining Bond Beebe in June 2001, Linh has focused on health and welfare and pension claims audit engagements. As the Director of Claims Audits, Linh primarily works on medical and pension claims audits and manages and directs the claims auditing teams on all of Bond Beebe's claims engagements. Her projects have included reviewing our clients' internal controls, as well as performing operation audits, claims audits, simulated claims projects, OPM audits, and claims-related training projects. She is also involved with various teaching projects on pension and health and welfare plans. She is a Certified Fraud Examiner and has assisted clients with a wide variety of fraud prevention measures and fraud investigations.

Prior to starting with the Firm, Linh worked for another Washington, DC CPA firm performing various bookkeeping projects for not-for-profit clients and several fraud examinations. She also has previous experience as an accounting clerk, reconciling investment portfolios for clients.

Linh managing the benefit claims testing for Building Service 32BJ Benefit Funds, American Maritime Officers Pension Plan, Teamsters Health & Welfare and Pension Trust Funds of Philadelphia and Vicinity, and Bakery and Confectionery Union and Industry International Benefit Funds.
